

KIDS CORNER NURSERY NEWSLETTER

20th May 2015 | Summer Term

Hello.

We have come to the end of another amazing term, full of adventurous outings and activities. All our children have worked hard with learning in every way provided to help them develop. We are very pleased with their outcomes this term.

Our Team

We welcome new staff members to our team, Lauren, Hannah and Deanna. These girls will be working with our younger children in the downstairs rooms. We have Deanna and Lauren that will be now working in the Ladybirds Room and Hannah that has now joined Leanne and Sarah in the Busy Bees Room.

We are also happy to announce Tia is now based as the deputy manager at the nursery and you can now go to her for any enquiries or concerns you may have. 😊

Nursery Photo's.

We are going to be having some professional photos taken on the 2nd & 3rd June at the nursery... There will be props added into the photos to give it a little touch and glam if you would like. If you would just like your photos simple then please let us know.

If you're interested in your child having their photos taken then please sign the consent form attached with this letter and bring it back as soon as possible.

Parents Evening.

It will soon be the end of this school year where some children will be moving onto primary school and others will be moving up to an older class. We are already planning our parents evening for all parents to come and have a look at your child/children's achievements and development stages so far. You will also be able to have a in detailed discussion with your child's keyworker about their development. The date we are going to be doing this on will be the 2nd & 3rd of July, letters will be sent out nearer the time to book a suitable time for you.

A quick reminder to all parents's regarding timings. We ask nicely for all to bring their child/children to nursery at the time they are expected and not any earlier. We ask this due to parent's bringing children in early and staff having to start their shift earlier than required. By all means if you arrive early don't hesitate to allow your child to play in the gym room whilst waiting.

Uniforms.

Our uniforms are still available to order online from Tesco, if you would like for your child to have one please ask for more info from any of the staff members. We would love to see all our children in the uniforms as they look so adorable and smart, so get ordering them online for affordable prices.

Our Animal Visit.

Our children absolutely loved the visit from all the wild animals we had last week. There were many different kinds of animals such as snakes, spiders, tortoises, rabbits, an owl and even a new species called a skinny pig! We took a lot of photos of them being brave holding, touching and even feeding the animals. As soon as they are developed we will inform you all so that you can have a look at them. We also thank all parents that contributed the £2. 😊

Dates to remember:

Bank Holiday 25th May 2015
