

CHILD PROTECTION

1.4 Uncollected child

Policy statement

In the event that a child is not collected by an authorised adult by their expected collection time, the setting puts into practice agreed procedures. These ensure the child is cared for safely by an experienced and qualified practitioner who is known to the child. We will ensure that the child receives a high standard of care in order to cause as little distress as possible.

We inform parents/carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their children will be properly cared for.
